

POLICY ON PRODUCT RESPONSIBILITY OF
SOLAR INDUSTRIES INDIA LIMITED

PHILOSOPHY:

Solar Industries India Limited (SIIL) is committed to providing products that fully meet our customer requirements and satisfy all stakeholders and other interested parties during manufacturing of products.

POLICY:

It is SIIL's policy:

1. To comply with all regulatory requirements pertaining to the health and safety impacts of its products;
2. To ensure environmental protection by minimizing pollution, waste and conservation of scarce natural resources. For this, wherever possible, innovative reuse and recycle methods will be used;
3. To enable customers in making informed purchase decisions through factual and truthful disclosure of relevant information;
4. To comply with relevant regulations and voluntary codes concerning marketing communications including advertising, promotions and sponsorship;
5. To provide appropriate mechanisms for customer feedback so as to be able to continuously improve upon its products.

PUTTING INTO PRACTICE...

1. This policy is communicated to all employees in appropriate and meaningful manner.
2. SIIL has appropriate systems and processes in place to ensure compliance with the policy and with statutory provisions including processes of grievances for redressal.
3. Compliance with the policy will be regularly monitored and evaluated by respective Management Committee.
